Instructions for Making Stock Donations to the International Folk Art Alliance

The International Folk Art Alliance, Inc. (IFAA), doing business as the International Folk Art Market (IFAM), is a 501(c)(3) not-for-profit organization and accepts gifts of publically traded securities. Tax benefits to donors of appreciated stocks can be substantial. You may be able to claim a deduction equal to the full market value of the stock while avoiding any tax capital gains. IFAA's EIN number is 35-2285824.

Here are the steps you will need to follow:

- 1) Decide which stock you would like to donate and advise your broker to effect a stock transfer for a specific value, rounded up to the nearest share.
- 2) Provide your broker with the following information. Make sure the account number and account name are on the form.

The value of your gift will be determined by the high and low values of the transferred stock as traded on the day the gift was received into the Market account (per IRS rules). In most cases, stocks will be sold to benefit IFAA within 24 hours of the transfer.

IFAA will gratefully acknowledge your generous gift upon receipt of the stock transfer to our account, documenting your contribution for tax purposes.
